

Part-financed by the European Union (European Regional Development Fund)

Become a marine scientist for a week --- Lithuania, 17th – 26th August 2012.

Check list for students who want to apply:

Before applying please check if you really ...

... feel interested in scientific matters.

.... like being exposed to all different sorts of weather.

... like living together with people from different countries for ten days.

... like being a member of a team.

... are able to communicate in English.

If you match these criteria, then don't hesitate to apply!

Before submitting your application, please ensure that it contains:

- ✓ the completed application form (in **English**).
- ✓ a reference letter from a science teacher or an interview with a scientist from the partner institution in your country (see application form for details).
- ✓ the letter of agreement from your school principle/headmaster.
- ✓ the letter of agreement from your parents.

Send the complete set of documents to:
